

# DISABILITY PLANNING ORGANIZATION OF KANSAS, INC.

A Community Developmental Disability Organization Serving Kansans

## AFFILIATES

In Home Supports are a wide range of personal supports provided to adults and children with developmental disabilities. The services provide for paid staff to perform in-home assistance as determined to meet an individual's needs. These services are called Supportive Home Care, Respite and Night Support and can be provided in a variety of ways.

### In Home Supports

---

**HOME HEALTH AGENCIES** are licensed medical service organizations that usually provide nursing care to individuals in their homes. In-home supports can be provided in addition to medically prescribed tasks.
