

DISABILITY PLANNING ORGANIZATION OF KANSAS, INC.

A Community Developmental Disability Organization Serving Kansans

AFFILIATES

Case Management Services

Case Management Services assist an individual and their support network to identify, select, obtain and coordinate paid and natural supports as needed to enhance an individual's independence, integration and productivity in their community. Case managers may or may not work for licensed providers, but are expected to function in ways prescribed by the Kansas Department of Social and Rehabilitation Services in the performance of service coordination duties.
